

Join the Fiat Lancia Club of Western Australia's 35th birthday celebrations with a week-long tour from Perth through the south-west of Western Australia taking in some of the region's premier tourist regions.

The Two Oceans Tour is a non-competitive scenic road tour aimed at Lancia and Fiat owners across Australia.

Starting in **Perth**, participants will be welcomed to the event on Saturday 15 October with a barbecue lunch at the **Motor Museum of WA**, followed that evening by a cocktail party where participants can meet and mingle.

On Monday 17 October, the Tour heads south from Perth along the Sunset Coast to **Margaret River**, acclaimed as one of the premier wine and food regions in Australia.

A tour of gourmet food and wine establishments is included, and participants also have ample time to explore the region during the two-night stay before the Tour continues to Western Australia's southern coastline.

The easy-driving route passes through many historic towns of the South West as well as through the famed giant karri forests of the region.

There will be opportunities en route to divert to a number of the attractions in the region including the renowned Treetop Walk near Walpole before arriving at the historic coastal city of **Albany**.

Two nights in Albany allows participants the chance to visit the newly-built Anzac Memorial Centre and other historic military connections within the region, or explore some of the historic sights, such as the former whaling station known as Whale World and the Natural Bridge and Blowholes.

The Tour then heads north-west via Mount Barker and a number of smaller townships in the Great Southern region, with an overnight stay and dinner in the historic timber town of **Bridgetown** on Friday.

Great driving roads around the south-west give wonderful opportunities to thoroughly enjoy your Fiat or Lancia.

Proceeding north the following morning, the route passes through the main fruit-growing region of the State, the tourist spot of 'Gnomesville' and the picturesque Wellington Dam before pausing in the wine and food region of the Ferguson Valley for the final lunch stop of the event.

The Tour has been planned to be held in conjunction with other Italian car club events in the same period, including the **Fiat Lancia Club's 35th Anniversary Display Day** held in Perth city on Sunday 16 October, plus the annual combined Italian car clubs' **Pasta Run**, a scenic drive through the Perth Hills followed by lunch on Sunday 23 October.

Entry includes the following:

- Entry fee, event memorabilia and road book
- Welcome cocktail party and Motor Museum entry
- Lunches en route (three days)
- Dinners en route (three days)

A number of accommodation options are suggested to suit participants' style and budget.

The Two Oceans Tour has been designed to showcase some of the unique and beautiful characteristics of Western Australia's south-west while also allowing interstate participants the opportunity to see some of Perth and its surrounds.

To register to participate in the Two Oceans Tour please complete our entry application form, which should be with this brochure or download from the event website:
